

VIVIAN HO, Ph.D.

**Associate Professor
Department of Economics
Rice University**

Office Address:

Rice University
Department of Economics - MS 22
6100 Main Street
Houston, TX 77005

Home Address:

2520 Robinhood St, Unit 1602
Houston, TX 77005
(713) 533-0479

Phone: (713) 348-2195

Fax: (713) 348-5278

email: vho@rice.edu

homepage: <http://www.ruf.rice.edu/~econ/faculty/VHo.htm>

EDUCATION:

1986-1992 Ph.D. Economics, Stanford University
1984-1985 Graduate Diploma, Economics, *pass with merit*, Australian National University
1981-1984 A.B. Economics, *magna cum laude*, Harvard University

APPOINTMENTS:

University

2004- James A. Baker III Institute Chair in Health Economics, Rice University
2004- Associate Professor, Department of Economics, Rice University
2004- Associate Professor, Department of Medicine, Baylor College of Medicine
2000-2005 Associate Professor, Department of Health Care Organization and Policy, School of Public Health, University of Alabama Birmingham
2000-2005 Scholar, Lister Hill Center for Health Policy, University of Alabama Birmingham
2000-2005 Director, Center for Aging, Health Policy and Aging Program, University of Alabama Birmingham
2000-2005 Steering Committee Member, Center for Outcomes and Effectiveness Research and Education, University of Alabama Birmingham
2001-2005 Scientist, Comprehensive Cancer Center, University of Alabama Birmingham
1996-2000 Assistant Professor of Economics and Management, Olin School of Business, Washington University in St. Louis
1991-1996 Assistant Professor, Department of Medicine, McGill University
1991-1996 Assistant Professor, Department of Economics, McGill University
1987-1991 Research Assistant, Department of Economics, Stanford University
1984-1986 Research Assistant, Research School for Social Sciences, Australian National University

APPOINTMENTS (cont.):

Hospital

- 1991-1996 Medical Scientist, Centre for the Analysis of Cost-Effective Care, Montreal General Hospital
1991-1996 Medical Scientist, Division of Clinical Epidemiology, Montreal General Hospital

OTHER PROFESSIONAL ACTIVITIES:

- 2004-2007 Member, Board of Scientific Counselors, National Center for Health Statistics

Referee for Social Science Journals: Canadian Public Policy, Government and Policy, Health Economics, Journal of Econometrics, The Journal of Health Economics, The Journal of Human Resources, Nonprofit Management and Leadership, The Journal of Policy Analysis and Management, The Journal of Public Economics, The Rand Journal of Economics, The Southern Economic Journal

Referee for Clinical/Health Services Research Journals: The American Journal of Medicine, The Journal of the American Medical Association, Archives of Internal Medicine, BMC Health Services Research, Canadian Medical Association Journal, The Journal of Clinical Epidemiology, Clinical and Investigative Medicine, Health Services and Outcomes Research Methodology, Health Services Research, The Joint Commission Journal on Quality Improvement, Medical Care, The Milbank Quarterly, The New England Journal of Medicine, Pharmacoeconomics, Social Science and Medicine

INTERNAL REVIEWER FOR GRANTING AGENCIES

- 1995 Substance Abuse and Mental Health Services Administration, US Department of Health and Human Services
1996 National Health Research and Development Program, Health Canada
1998, 2003 National Institute of Aging, Special Emphasis Panel Committee for Program Project, NBER
1998 National Institute of Aging, Special Emphasis Panel Committee for Program Project, RAND
1999 National Institute of Aging, SSP Temporary Committee Member, February.
2000 Administration on Aging, Racial and Ethnic Approaches to Community Health 2010 for the Elderly (REACH 2010).
2001 National Institute of Aging, Special Emphasis Panel Committee for Program Project, CECS, Dartmouth Medical School
2002 National Institute of Allergy and Infectious Diseases, Risk, Prevention and Health Behavior IRG, Ad hoc Reviewer.
2002-2006 National Institutes of Health, Social Sciences, Nursing, Epidemiology and Methods 4/Health Services, Outcomes, and Delivery Study Section (Standing Committee member 2003-2006).

INTERNAL REVIEWER FOR GRANTING AGENCIES (cont.):

- 2003 American Cancer Society, Psychosocial, Behavioral, and Policy Research Committee, Ad hoc Reviewer.
- 2004 National Institute of Aging, Behavioral and Social Science of Aging Review Committee, Ad hoc Reviewer.
- 2004 National Institutes of Health, Center for Scientific Review, HSOD Members Special Emphasis Panel
- 2007 National Institutes of Health, Center for Scientific Review, HSOD Members Special Emphasis Panel

EXTERNAL REVIEWER FOR GRANTING AGENCIES:

- 1993-1996 FRSQ, Fonds de la recherche en santé du Québec
- 1993 U.S. National Research Council
- 1994-1996 MRC, Medical Research Council
- 1995 SSHRC, Social Sciences and Humanities Research Council
- 1995-1996 National Health Research and Development Program
- 1995 BC Health Research Foundation
- 1998 National Science Foundation
- 2003 National Institute on Aging Initial Review Group, Behavior and Social Science of Aging Review Committee, NIA-S

FELLOWSHIPS AND AWARDS:

- 1989-1990 John M. Olin Graduate Fellow, Stanford University
- 1991 Research Scholar Award, Montreal General Hospital Research Institute
- 1997-1998 John M. Olin Faculty Fellow, John M. Olin Foundation, New York
- 2001, 2004 Finalist, Teacher of the Year, School of Public Health, University of Alabama Birmingham

MAJOR COMMITTEE ASSIGNMENTS:

- 1992-1996 Member, Admissions and Duration of Stay Committee, The Montreal General Hospital
- 1992-1996 Member, Pharmacy and Therapeutics Committee, The Montreal General Hospital
- 1992-1996 Member, Case Management Advisory Committee, The Montreal General Hospital
- 1993-1994 Member, Research Institute Network Steering Committee - INTERNET
- 1996-2000 Member, Executive MBA in Health Services Management Curriculum Committee, Olin School of Business
- 1997-2000 Member, Executive MBA Curriculum Committee
- 2000 Member, Strategic Workgroup on Enrollment, School of Public Health, UAB
- 2001-2002 Chair, Search Committee, Economic Evaluation and Medical Decision Making, Department of HCOP, UAB.

MAJOR COMMITTEE ASSIGNMENTS (cont.):

- 2001-2002 Member, Search Committee, Mental Health Economist, Department of HCOP, UAB.
- 2001-2003 Member, Educational Policy Committee, School of Public Health, UAB
- 2002 Member, Research Advisory Committee, School of Public Health, UAB
- 2002 Member, Diversity and Affirmative Action Advisory Committee, School of Public Health, UAB
- 2002 Member, Search Committee, Department of Health Behavior Chair, School of Public Health, UAB
- 2005-2006 Member, Search Committee, Dean of Social Sciences, Rice University
- 2007 Member, Search Committee, Health Economist UT MD Anderson Cancer Center

PROFESSIONAL SOCIETIES:

- 1986- Member, American Economics Association
- 1989- Member, Committee on the Status of Women in The Economics Profession
- 1991-1994 Member, Association for Public Policy Analysis and Management
- 1992-1994 Member, Association for Research on Nonprofit Organizations and Voluntary Action
- 1990-1992 Member, The National Hospice Organization
- 1994- Member, International Health Economics Association
- 1995-1997 Board Member, Canadian Health Economics Research Association
- 2004-2007 Member, American Society of Health Economists (Board Member 2004-2006)

TEACHING EXPERIENCE:

- 1992-1993 Department of Epidemiology and Biostatistics, McGill University:
513-678L "Health Economics"
(Co-supervisor with Dr. J. Hoey)
- 1995 Department of Epidemiology and Biostatistics, McGill University:
513-665C "Economic Evaluation of Pharmaceuticals: Introduction"
(Co-supervisor with Dr. S.A. Grover)
- 1995 Department of Epidemiology and Biostatistics, McGill University:
513-666L "Economic Evaluation of Pharmaceuticals: Advanced Applications"
(Co-supervisor with Dr. S.A. Grover)
- 1996 Division of Experimental Medicine, McGill University:
516-630C "Economic Evaluation of Medical Technologies"
(Co-supervisor with Dr. S.A. Grover)
- 1997-1999 Division of Experimental Medicine, McGill University:
516-631L "Advanced Topics in Economic Evaluation"
- 1997-2000 Olin School of Business, Washington University:
B54-400A "Health Management and Policy" (BSBA level)
- 1997 Olin School of Business, Washington University:
B64-533 "Health Care Management" (MBA/PMBA level)

TEACHING EXPERIENCE (cont.):

1997	Olin School of Business, Washington University: MECO 536 “Management in the Health Care Industry” (EMBA level)
1998-1999	Olin School of Business, Washington University: MECO 990 “Managerial Economics in Health Care” (EMBA level)
2000	Olin School of Business, Washington University MEC 904 “Health Policy, Insurance, and Managed Care” (EMBA level)
2000-2002	Olin School of Business, Washington University MEC 593A “Case Studies in Health Care Management” (MBA/PMBPA level)
2000-2002	School of Public Health, University of Alabama Birmingham HCO601/HA645/HCO701/HA700 “Health Economics” (MSPH/MHA/PhD level)
2002-2004	School of Public Health, University of Alabama Birmingham HCO 680 “Aging Policy” (Graduate level)
2005-2007	Rice University Econ 481 “Health Economics” (Undergraduate level)
2006-2007	Rice University Econ 565 “Health Economics” (PhD level)

Lectures given in courses:

1992	513-628C (Clinical Epidemiology - Economic Analysis)
1992-1995	513-656B (Health Care Technology Assessment - Economic Evaluation)
1993	513-632L (Clinical Decision Making - Economic Evaluation: Cost-Benefit, Cost-Effectiveness, and Cost-Utility Analyses)
1993	513-611B (Measurement in Health Care Research - Evaluating Cost Effectiveness)
1994-1996	524-402M (Community Health - Analysing the Costs of Medical Care)
1997-1999	B53-490 (Honors Seminar - Debate on the Canadian and U.S. Health Care Systems)
1997	B59-121 (Managerial Statistics II, Applying Econometric Tools in the Field of Health Care Management)
2001-2002	SPH 600 (The Integrated Public Health Care Curriculum, Supply and Demand)
2002-3003	HCO 603 (Public Health Policy, Medical Malpractice Insurance)

Students Supervised:

Postdoctoral:

1994-1996	Primary supervisor for Sylvie Perreault, Ph.D., funded by FRSQ Post-doc Fellow, Division of Clinical Epidemiology
-----------	--

Graduate:

2006-2007	Member of thesis committee for Timothy S. Gunning
2005	Member of thesis committee for Ernest Aguayo-Tellez
2001-2003	Chair of thesis committee for Michael Matthews Dept. of Health Services Administration

Students Supervised (cont.):

- 2000-2002 Member of thesis committee for Matthew Rousculp
Dept. of Health Services Administration
- 1995-2000 Primary Supervisor for Eva Tsakonas, M.Sc.
Division of Experimental Medicine, PhD program in Health Care Economic
Evaluation
- 1994-1996 Member of thesis committee for Xavier Kurd
Department of Epidemiology and Biostatistics

Undergraduate:

- 2005 Supervisor, Senior independent research project for David Ho
- 2004 Supervisor, Senior independent research project for John Varghese
- 2004-2005 Supervisor, Senior independent research project for Sabina Bharwani

INVITED SPEAKER:

- 2007 Worksite Wellness: Impact Your Bottom Line Conference, Houston, TX.
“Economics Impact of Healthcare Crisis on Houston’s Business Community.”
- 2007 Federal Reserve Bank of San Francisco Conference: The Costs and Value of New
Medical Technologies. San Francisco, CA. “Learning effects and the diffusion
of medical technology in a regulated environment.”
- 2007 RAND Health Economics Seminar Series, Santa Monica, CA. “Certificate of
Need for Cardiac Care: Controversy over the Contributions of CON.”
- 2005 Department of Economics, Texas A&M University, “Quality and Cost
Consequences of Cardiac Surgery Regulation.”
- 2005 Section of Health Services Research, Baylor College of Medicine. “Does
Certificate of Need Save Lives or Money?”
- 2004 Texas Lyceum. “Healthcare: A right or a privilege? Why have we reached an
impasse?”
- 2004 Department of Medicine, Baylor College of Medicine. “Physician Supply,
Treatment and Amputation Rates for Peripheral Arterial Disease.”
- 2004 Department of Economics, Rice University. “Does Certificate of Need Affect
Cardiac Outcomes and Costs?”
- 2003 Department of Health Administration and Policy, Medical University of South
Carolina. “Does Certificate of Need Affect Cardiac Outcomes and Costs?”
- 2002 Center for Aging, University of Alabama Birmingham
“Peripheral Arterial Disease and Amputation Rates in the Medicare Population.”
- 2001 Department of Health Policy and Management, Emory University
“Learning and the Evolution of Medical Technologies.”
- 2001 Department of Economics, Finance and Legal Studies, University of Alabama
“Learning by Doing and the Diffusion of Medical Technologies.”
- 2000 Department of Economics, University of Mississippi
“Learning and the Diffusion of Coronary Angioplasty.”
- 2000 Carlson School of Management, University of Minnesota. “Learning by Doing
and the Evolution of Medical Technologies.”

INVITED SPEAKER (cont.):

- 2000 Work, Families, and Public Policy Brown Bag Seminar, Washington University. "Learning by Doing and the Evolution of Medical Technologies."
- 1999 Department of Health Care Organization and Policy, University of Alabama Birmingham. "Learning by Doing and the Evolution of Medical Technologies."
- 1999 Division of General Medical Sciences, Washington University School of Medicine. "Evolution of the Volume-Outcome Relationship for Hospitals Performing Coronary Angioplasty."
- 1998 RAND Health, "Hospital mergers and acquisition: Does hospital market consolidation harm patients?"
- 1998 Work, Families, and Public Policy Brown Bag Seminar, Washington University. "The impact of hospital mergers and acquisitions on patient outcomes."
- 1998 Division of Health Services Research and Policy, University of Minnesota School of Public Health, "Hospital mergers and acquisition: Does hospital market consolidation harm patients?"
- 1998 American Enterprise Institute Health Policy Discussion Series. "Hospital mergers and acquisitions: Does hospital market consolidation harm patients?"
- 1996 Work, Families, and Public Policy Brown Bag Seminar, Washington University. "An economic analysis of poor smokers."
- 1996 Division of General Medical Sciences, Washington University School of Medicine. "Does practice make perfect? Estimating volume-outcome relationships for hip fracture patients."
- 1996 Olin School of Management, Washington University. "Queuing for Surgery: Is Canada or the U.S. Worse Off?"
- 1995 Division of Clinical Epidemiology, The Montreal General Hospital. "An Economic Model for Comparing the Distribution of Physician Visits in Canada and the U.S."
- 1995 Institute for Clinical Evaluative Sciences, Sunnybrook Health Sciences Centre. "A Competing Risks Model of the Effect of Delay for Hip Fracture Surgery on Post-Surgery Outcomes."
- 1995 Division of Clinical Epidemiology, The Montreal General Hospital. "Pharmacoeconomics and Lipid Modifying Drugs."
- 1995 Medical Grand Rounds, The Montreal General Hospital, "The Cost-Effectiveness of HMG-CoA Reductase Inhibitors to Prevent CHD."
- 1994 School of Nursing, McGill University: "Fundamentals of Economic Evaluation."
- 1994 Division of Clinical Epidemiology, The Montreal General Hospital. "Delay for Hip Fracture Surgery in Quebec. What can Administrative Data Tell Us?"
- 1994 Annual Isobel MacLeod Conference, The Montreal General Hospital. "Is Patient-Focused Care Possible?"
- 1994 Secteur de la Santé Publique, Université de Montréal. "Income and Access to Care: A Comparison of physician and hospital service utilization in Canada and the United States."
- 1993 Department of Epidemiology and Biostatistics, McGill University: "The Effect of Income on Access to Care: Does Canada do Better than the U.S.?"

INVITED SPEAKER (cont.):

- 1993 Clinical Epidemiology Unit, Ottawa Civic Hospital: "Modelling the Simultaneous Relationship between Alcohol Consumption and Earnings."
- 1993 Division of Clinical Epidemiology, Jewish General Hospital: "Comparing the Effect of Income on Health Care Utilization in Canada and the U.S."
- 1993 Department of Pharmacology, University of Montreal, Workshop on Pharmacoeconomics: "Measuring Costs for an Economic Evaluation."
- 1992 Department of Economics, Tufts University: "Alcohol and Earnings: Is Drinking Good for You?"
- 1991 Department of Economics, McGill University: "The Medicare Hospice Benefit: The Effectiveness of Price Incentives in Health Care Policy."

RESEARCH GRANTS AS PRINCIPAL INVESTIGATOR:

Title: The impact of the Medicare Hospice Benefit on hospices
Agency: Agency for Health Care Policy and Research
Duration: 1990-1991
Status: Completed

Title: Equity in the utilization of health care in Canada and the US
Agency: Social Sciences and Humanities Research Council of Canada
Duration: 1994-1997
Status: Completed

Title: An economic analysis of poor smokers
Agency: National Health Research and Development Program
Duration: 1995-1997
Status: Completed

Title: Use of lipid modifying drugs for the primary and secondary prevention of coronary heart disease (Co-P.I. with Dr. Louise Pilote)
Agency: Fonds de la recherche en santé due Québec
Duration: 1996-1998
Status: Completed

Title: Determining the indirect costs of coronary heart disease and their implications for the cost-effectiveness of primary prevention
Agency: National Health Research and Development Program
Duration: 1995-1996
Status: Completed

Title: Management of Peripheral Arterial Disease
Agency: Agency for Healthcare Research and Quality
Duration: 2001-2003
Status: Completed

RESEARCH GRANTS AS PRINCIPAL INVESTIGATOR (cont.):

Title: Cancer Surgery: Evolution of Volume, Outcomes & Costs
Agency: American Cancer Society
Duration: 2003-2007
Status: Completed

Title: Certificate of Need and Cardiac Outcomes
Agency: National Heart, Lung, and Blood Institute
Duration: 2004-2007
Status: Ongoing

Title: Regionalizing cancer surgery
Agency: National Cancer Institute
Duration: 2006-2008
Status: Ongoing

RESEARCH GRANTS AS CO-INVESTIGATOR:

Title: Impact of waiting time on coronary artery bypass surgery
Agency: Fonds de la recherche en santé du Québec
Duration: 1993-1995
Status: Completed

Title: Evaluating the impact of computerized coronary risk profiles in general medical practice: The coronary health assessment study (CHAS)
Agency: Merck Frosst Canada Inc.
Duration: 1992-1994
Status: Completed

Title: Modifying specific risk factors to prevent the development of coronary heart disease: A cost-utility analysis incorporating quality of life measurements into the Coronary Heart Disease Prevention Model
Agency: Dairy Bureau of Canada
Duration: 1995-1997
Status: Completed

Title: There's no place like home: An evaluation of early discharge for stroke
Agency: National Health Research and Development Program
Duration: 1995-1998
Status: Completed

RESEARCH GRANTS AS CO-INVESTIGATOR (cont.):

Title: Comparing health care costs, health status, and patient satisfaction between patients with systemic lupus erythematosus in Quebec, the United States, and the United Kingdom.

Agency: Fonds de la Recherche en Santé du Québec

Duration: 1995-1997

Status: Completed

Title: A Canadian multicenter, randomized, double-blind placebo-controlled study of methotrexate and leucovorin in systemic lupus erythematosus, a phase III trial.

Agency: Arthritis Society

Duration: 1995-1997

Status: Completed

PEER-REVIEWED JOURNAL PUBLICATIONS:

(Publications in 1993-1998 are listed under V. Hamilton)

1. **Hamilton V.** The Medicare hospice benefit: The effectiveness of price incentives in health care policy. *The RAND Journal of Economics* 1993; 24(4): 605-624.
2. **Hamilton V.** The impact of ownership form and regulatory measures on firm behavior: A study of hospices. *Nonprofit Management and Leadership* 1994; 4(4): 415-430.
3. **Hamilton V**, Racicot F, Zowall H, Coupal L, Grover SA. The cost-effectiveness of HMG-CoA Reductase Inhibitors to prevent coronary heart disease: estimating the benefits of raising HDL. *Journal of the American Medical Association* 1995; 273(13):1032-1038.
4. Vistnes J, **Hamilton V.** The time and monetary costs of outpatient care for children. *The American Economic Review* 1995; 85(2):117-121.
