

JOIN THE BAKER INSTITUTE ROUNDTABLE

The Roundtable is the **Baker Institute for Public Policy**'s premier membership forum, dedicated to advancing the institute's mission — to build a bridge between the world of ideas and the world of action.

Through annual giving, members foster community engagement in some of the most pressing public policy challenges while interacting with national decision-makers and leading researchers. Ranked the number one university-affiliated think tank in the world, the Baker Institute produces independent, data-driven public policy research that is powered by philanthropy.

To join the Roundtable and become part of a powerful network, [register online now](#) or complete the attached membership form and mail it to the address on the form.

To discuss the many benefits of Roundtable membership, or to upgrade your existing membership, please contact **Rachel Smith** at rachel.smith@rice.edu or 713-348-4945.
