

# How does crime affect daily life in Mexico?

PUBLIC SAFETY  
& SECURITY

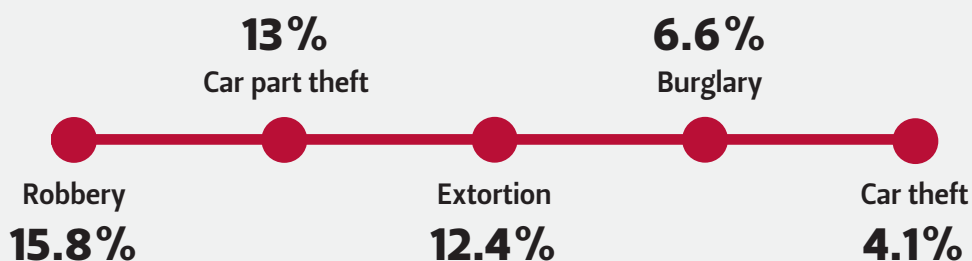

From clothing choices to family activities, crime is transforming daily life in Mexico.

of households had at least one victim of crime

December 2018

## Most common crimes by household

## Policy Recommendations

- Develop and enforce legislation to prevent access to guns
- Increase surveillance of streets and public transportation
- Work with grassroots organizations to identify areas that require police attention to reduce extortion and theft
